### NO FUSS—NO MUSS

Having your house wired by folks who know their business, is not a thing to be dreaded. It can be done with far less fuss or muss than you put up with in having the house papered and painted.

We can wire your house in two or three days and leave not a scar on your woodwork or plaster. There is no dirt. There is no inconvenience to you and the cost is far less than you would expect. We will come and tell exactly what it will cost if you wish.
